3. Payment for Training (Profit Share Clause)

In consideration of this training, the Trainee agrees to pay the Trainer ____ percent (____%) of their gross monthly income generated from all independent IT-related contract work using the skills gained under this Agreement.

This obligation will be in effect for a period of ten (10) years from the date of the Trainee's first month of paid work. Payments are due by the 5th of each month

While in Training, Trainee will be paid \$25 per hr. When training is complete, if Contractor decides to continue to work under my platform, payment will be as follows: \$40.00 per hr. and .80 per mile for travel one way. Also, the monthly payments will not be in effect until Contractor no longer work under my platform.

4. Responsibilities of Trainee

The Trainee agrees:

- To behave ethically and uphold professionalism in all work;
- To not damage the Trainer's professional reputation;
- To preserve the confidentiality of proprietary knowledge shared during training, which should only be shared with the Companies permission.

5. Independent Contractor Status

The Trainee understands that they are not an employee of the Trainer. They are solely responsible for their business licensing, tools, transportation, taxes, insurance, client relationships; etc.
